Dear Jennifer, Dear Jennifer,

I'm a thirteen year old boy. I've been crazy about this boy since Christmas. We were at a party together and I danced with him a lot. I've fallen in love with this girl but I don't know how to ask her out. I thought he fancied me too, but I'm not sure any more. Sometimes I think she fancies me, but sometimes I've got the feeling she ignores me. I've never been out with a girl before and I don't know what to do. I've tried everything to attract his attention. I've even written a letter to him, but he hasn't written back. He hasn't even said thank you. Where can I take her? Do you think I can ask him to give the letter back to me? I don't want my friends to see us on our first date. I'm afraid he could show it to his friends. So I can't take her to my youth club. What can I do?

Yours, Marion. Yours, Peter.
