Sunday, March 6th

Dear Diary,

I have this really big problem! You know, there is this new boy in our class, Ben. And he is so lovely, and so nice... I fell in love with him on the first day I saw him! But I haven't told him yet, because I am too shy! On Friday, I asked my best friend Chris what I should do, and she said that she would help me. She promised me that she would ask Ben to go on a date with me and Chris. So, yesterday we went to the ice cream shop. I put on my prettiest dress, and I even bought new silver ear rings to impress* Ben, but he didn't even look at me. He was flirting with Chris all the time!!! It was so horrible, and I really felt awful. I went home earlier and left the two alone, because I was so sad. I have been crying all night, and even my mom is worried about me. I have tried to call Chris and tell her that she is a silly cow, but she hasn't picked up the phone. I think she is together with Ben... I'm soooooooo sad!
