Hi,

My name is Louise Barnett. I'm 15 years old, and I **live** in San Diego, in Southern California, near the Mexican border. My **father** is a mechanic and my mother is a **secretary**. I have an older **sister**, who is 19. Her name is Adriana and she **works** in a store. My younger brother is 14, and we both go to Putney High School.

I **like** school, but there has been a problem lately. There is a boy who keeps **looking** at me, but he **has never talked** to me. He looks nice, but why doesn't he say a **word**? He makes me **nervous**.

We live in a house with a small **garden**. I often go **swimming** with my friends. The **beach** is quite close. We also go shopping together too. Sometimes my father and I **drive** into Mexico. We live only half an hour away from the **border**. In Mexico everything is very **cheap**, but I never go there alone or with my friends, because it can be quite **dangerous**.

It's very hot in San Diego in **summer**, and even in winter it's not **cold**. I like living here, but I would also like to hear from **young** people in other countries.

Please write.

Yours,

Louise.
